

YFU BULGARIA
Intercultural Exchange Programs

Dear Sir/Madame,

My name is Nayla Jonte, I am contacting you on the behalf of YFU Bulgaria, an NGO that offers international exchange programs for students. YFU's mission is to promote intercultural understanding, mutual respect and social responsibility, contributing for a more peaceful world. At the moment, I am an intern at YFU Bulgaria's office.

I'm contacting you with a proposal for presenting intercultural student exchange in your school. YFU offers the opportunity for long and short-term exchange programs and the possibility for Bulgarian families to host foreign exchange students.

On the occasion of YFU Bulgaria's 20th anniversary we set up a scholarship of 5000 BGN. Students can apply until 20 January 2019.

Besides student exchange, YFU offers free interactive workshops for Bulgarian schools as a part of the Coloured Glasses project. The Coloured Glasses workshops aim to allow students to examine their attitudes towards their own culture as well as other cultures, leaving behind stereotypes, prejudice and discrimination.

Presentations and workshops are available in English and Spanish throughout January and February. Please feel free to contact me in case you are interested in setting up a date for either of the two activities. I will gladly be provide you with more detailed information and answer your questions.

Thank you for your time!

Best regards,

Nayla Jonte
